

Dear Neighbors,

It is once again time to consider the Bay Highlands Budget. The budget process as spelled out in the Bylaws requires committee chairs to submit budget requests to the Board. The Board then prepares a proposed budget and the residents vote to approve or reject that budget.

This year, the Board would like to expand the standard budget process by giving all residents a chance to discuss and comment on the budget requests before the Board prepares the proposed budget. This letter is written to invite you all to a General Meeting for that purpose.

BAY RIDGE CHRISTIAN CHURCH  
1071 BAY RIDGE RD, ANNAPOLIS, MD 21403

3. **Dec. 12, 2015**
